Environmental Education Council of Broward County

The EEC is a diverse, non-partisan consortium of representatives from the non-profit and education sectors, government agencies and private businesses. Any organization dedicated to promoting environmental education is welcome to join EEC.

Objectives:

- The objectives of the EEC are:
- To provide a network for promoting environmental awareness and action.
 - To provide a network for disseminating environmental education resources for all educational organizations.
 - To promote environmental stewardship by supporting events to be attended by the local community.
 - To network with local, state and national agencies and organizations having a role in environmental education.

Meetings:

EEC meetings are generally held on the third Thursday of each month at 3:00 pm, unless otherwise determined by the council at a previous meeting. You can always find up-coming events on the EEC calendar, including the next meeting date, time and location at www.browardeec.org. For more information about the EEC, please contact us at: info@browardeec.org.
